Enjoyed, hearing about your gathering histories and pastimes concerning men Cliff and his wives. I was an illustration character and talented man. I have told his story in Germany. I made my husband was a champion for F.D. 29 years and in Germany in 1986/87 when we were married - forming for the church - we have just returned from the New Zealand sample from 1988-1991 when we had the opportunity to share our family histories and growth with the parents in order to grow and learn, we also were allowed to go to Germany and Australia where we again have witnessed our heritage and responsibilities to our ancestors. We are now serving as sample makers in New Zealand and Rehabilitation. Memories of David and Inductives. It is a challenge and a joy to

sent our Father in Heaven children
in fact and in heaven.

It is great to be here in union
with our own children and grand-
children and great grandchildren, the
celebration of our 50th wedding anni-
versary in Chrember. It was a
glorious occasion.

Jim expresses to me - the
man. histories you have found
in your life - I will share
it at our midcent jubilee
reunion in June of this year.

Thank these pictures and
stories will help you to know
more "in" life better. He was
a great man -

Please keep the two big pictures
I have my own copies and I
would appreciate you sending
the smaller pictures and all the
negative back to me -

You are invited to stay in our
home if you ever come to New
York. Kindly and God bless you in
your quest - sincerely yours
